

Philips Stereo Y cable

1,5 m

SWA2103NB

Ensure a relliable connection

with this stereo Y cable

Depend on this cable to provide you with a reliable audio conection between components.

Enjoy good audio quality

• Nickel-plated connectors for reliable contact

Protects against signal loss

· Bare copper shielding

Easy installation

- · Color coded connectors for instant recognition
- · Non-slip ergonomic grip for easy use
- · Plug and play for easy use

Enjoy extended durability

- Molded plug for secure connections
- Flexible PVC jacket
- · Rubber strain relief

Environmentally friendly

· Environmentally friendly lead-free construction

Product highlights

Color-coded connectors

Color coded connections make it easy to install your cable into the correct inputs and outputs

Molded plug

Molded plugs ensure secure connections between components and offer extended durability.

Flexible PVC Jacket

Flexible PVC jacket provided protection to the delicate core of the cable. It also offers extended durability and ease of installation.

Nickel-Plated Connectors

Nickel-plated connectors establish a clean contact between the cable and connector for a reliable connection.

Rubber strain relief

Rubber strain relief provides a secure, yet flexible juncture between the cable and the plug.

Bare copper shielding

Bare copper shielding protects against signal loss.

Easy grip

This non-slip grip makes connecting your components easy and ergonomically comfortable.

Plug and play

Plug and play offers easy installation of components without time-consuming installations.
